Tricky Scramble

To find the answers, you will need to unscramble the letters. We have left out all the letters from A to G and placed them on the staves to the right. They are in the correct order, so you will only need to add them to the other letters, once you have arranged them correctly. The number of letters in each word is given in brackets.

A member of the string family (5)
A German baroque composer, JS (5)
Notes smoothly connected are (6)
At the start of our music is a bass (4)

No-Word Search

This one is really tricky. There are no words to find. You are looking for the exact combinations and the exact orders of the letters A to G as shown by the notes below. Remember that the notes and the letters need to be in exactly the same order as each other.
Hidden Story

Some of the letters A B C D E F and G have been left out of this story. You can find them in the proper order on the staves below. See if you can fill them in. Use a very sharp pencil and write neatly.

Note Names in the Bass
Sheet 10
Crazy - Maze

Do all the notes have paths leading to their names? How many paths can you find? Using coloured pencils will help. Number: ..........................

You may enter anywhere you like on the outside edge. There has to be a clear path between notes and note names.
These words are made up of notes written in spaces. Can you figure out what the words are, and then write them again, using only notes that are on lines?
